COMMISSIONS:

Zija pays commissions through Check or Propay. Propay is an easy-to-use, secure, global online pay portal that allows you to receive payments electronically as well as transfer them quickly and efficiently into your bank account. Each Distributor must create his or her own Propay account in their Back Office. For instructions on how to create your own account, contact customer service or go into your Back Office under the Commissions Tab.

Note: In order to set up a Propay account, you must be paid out a minimum of 4 times via check by Zija.

RETURN POLICY:

- 100% refund available (less shipping costs) for your initial order, within 30 days, on the first 250PV. 90% (less shipping costs) will be given on any Initial Order in excess of 250 PV.
- 90% (less shipping costs) refund available for product, after your first order, within 30 days. Customer may only receive a refund on 2 Autoships and 1 product type during their time as a Customer of Zija.
- To return product, you must obtain a returned merchandise authorization number (RMA Number) from Distribution Services. Once you have received an RMA Number, please mail your product to:
